BREXIT update 3 February 2020

InterEducation’s Erasmus+ teacher training courses take place in the UK and in Ireland. The UK has now agreed a deal and left the EU on 31 January 2020. Under the Withdrawal Agreement negotiated with the EU, the UK will continue to participate fully in the current (2014-2020) Erasmus+ programme. This means that European teachers funded in the Erasmus+ period 2014-2020 can definitely attend courses in the UK in 2020 and also in 2021. It is expected that the UK will continue to participate in the next Erasmus+ from 2021 to 2027. In the unlikely event that the UK will not participate in Erasmus+ 2021-2027 InterEducation will transfer all its teachers’ courses to Ireland.

HOW TO APPLY FOR EUROPEAN UNION FUNDING TO ATTEND TEACHERS’ COURSES IN UK & IRELAND

ERASMUS PLUS: KEY ACTION 1 – MOBILITY OF INDIVIDUALS. PERIOD: COMMENICING 1 JUNE 2020
ERASMUS+ DEADLINE: 4 FEBRUARY 2020

Only one deadline for the whole year.

Schools and consortia can apply for Erasmus+ funding. Individual teachers cannot apply for funding.

1. Select one or several of InterEducation’s Courses in the period commencing 1 June 2020 from our website: www.InterEducation.eu (All InterEducation teachers’ courses are eligible for funding.)

Pre-register on the course(s) by sending an email to English@InterEducation.eu.

A place will then be reserved for you/your colleagues on the course(s) until you let us know whether or not you can definitely attend.

(If your school would like a tailor-made course for a group of teachers, please ask us to prepare proposals.)

2. A representative of your school or college will need to:

   a) Register your school in the Erasmus+ Organisation Registration Portal in order to obtain an 8-digit Organisation ID (OID) number for your school: https://www.erasmusplus.org.uk/registering-your-organisation

   b) By 4 FEBRUARY 2020 submit an online application in your own language.

      You will need to download and use the application form on your Erasmus+ National Agency’s website.

      Link to Erasmus+ National Agencies: http://ec.europa.eu/programmes/erasmus-plus/contact_en

      Your school can use InterEducation’s information about the course objectives and content (sent to you when you pre-register) and also available at www.InterEducation.eu to complete the application.

      It is recommended to quote the specific course title and course provider (InterEducation: OID E10167266).

      Take particular note of pages 64-67 of the Erasmus+ Programme Guide (especially award criteria)

      In your school’s Erasmus+ application you will need to include details of a European Development Plan for your school and a Project. There needs to be a clear link between your and your colleagues’ attendance at course(s) in the UK and your school’s European Development Plan and Project.

      It is also important to indicate that the teaching ideas and materials acquired on the course will not only be used to enhance each participant’s own lessons, but will also be disseminated to colleagues at workshops which you will conduct after your course(s), so that a large number of students will benefit.

      Funding Rules (pages 68-70 of the Erasmus+ Programme Guide) indicate maximum grants per person:

      Course fees 70 Euro per day. Maximum 700 Euro.

      Individual support (subsistence i.e. accommodation & meals) 80-180 Euro per day - fixed by National Agency

      Organisational support 350 Euro

      Travel (varies according to travel distance) eg.500-1999 km: 275 Euro

      The combined funding for course fee and accommodation & meals should be sufficient for all InterEducation courses.

3. As soon as your school hears whether the application for funding has been successful, please let us know that you & your colleagues will definitely attend your chosen course(s) (quoting teachers’ names, course dates, course locations & course titles) or that you will not be able to attend.

   Please do not book flights until your course has been reconfirmed.

   Teachers are also welcome to attend InterEducation’s courses paying with their own or other funds.
