

Erasmus+ Key Action 1 (KA1)

SCHOOL EDUCATION STAFF TRAINING OPPORTUNITIES

BREXIT update 1 January 2021

Teachers who have been awarded Erasmus+ funding in 2020 or before can still attend courses in the UK in 2021.

Unfortunately teachers who obtain Erasmus+ funding in 2021 and beyond cannot use their grant to attend courses in the UK and should apply for courses in Ireland.

Erasmus+ KA1 2021-2027 update 29 March 2021

The new Erasmus+ Key Action1 2021-2027 is different from 2014-2020.

There is an Erasmus+ KA1 Accreditation deadline in October every year (which started in October 2020). Once a school has obtained accreditation it remains valid until 2027.

Please see the Erasmus+ Programme Guide:

Mobility for Pupils and Staff in school education:

https://ec.europa.eu/programmes/erasmus-plus/programme-guide/part-b/key-action-1/mobility-pupils-and-staff-school-education_en

11 May 2021 is the next deadline for schools and organisations to submit their funding applications to their Erasmus+ National Agency.

This deadline is for:

Accredited projects for mobility of pupils and staff in school education (ie those who applied for Erasmus+ KA1 accreditation in October 2020 and were successful)

and also for

Short-term projects for mobility of pupils and staff in school education (ie those who did not apply for Erasmus+ KA1 accreditation in October 2020 and those who applied but were unsuccessful).
