Breakfast, packed lunch and evening meal are provided by the host family. (Food allergies, likes and dislikes are taken into account.)

Please note that many suitable residential areas are not within walking distance of the city centre and most host families are a bus ride from the city centre/tuition centre. Accommodation can be provided for family members (but not unaccompanied children) subject to availability. (Rates on request).

Participants wishing to arrange their own (hotel or self-catering) accommodation may pay a fee for the course only.

No refund for cancellations within 5 weeks of arrival. Applicants are strongly advised to take out cancellation insurance.
Postponement due to Covid-19 will be possible if necessary.

PREPARATION:

Participants are asked to complete a questionnaire before the course starts in order to ascertain their level of experience and training, the age groups and types of learners they teach and their expectations from the course. This helps trainers to respond to participants' individual needs and ensure that the most relevant areas are carefully integrated.

EVALUATION:

At the end of the course teachers participate in a detailed evaluation of the course.

FOLLOW UP:

At the end of the course teachers are asked to consider which aspects of the course will be the most relevant to their own teaching situations. On their return they are invited to keep a record of how they have been able to utilise ideas gained on the course in their own classrooms. They are encouraged to share their experiences with their fellow participants by email.

A certificate of attendance (stating course content and number of hours) will be provided and Erasmus+ documentation will be validated.
