Host families are carefully selected and offer a friendly welcome and opportunities to chat and learn more about life in Ireland today. Additional nights with host families can be arranged, giving participants extra time for individual research and visits. Accommodation can be provided for family members (but not unaccompanied children) subject to availability. (Rates on request).

Participants wishing to arrange their own (hotel or self-catering) accommodation may pay a fee for the course only.

**TRAVEL:**

Participants are responsible for arranging their travel to and from Ireland.

Full payment will be due 2 months before the course begins, or for teachers awaiting funding: as soon as the grant is received.
No refund for cancellations within 5 weeks of arrival. Applicants are strongly advised to take out cancellation insurance.
Postponement due to Covid-19 will be possible if necessary.

PREPARATION:

Participants are asked to complete a questionnaire before the course starts in order to ascertain their level of experience and training, the age groups and types of learners they teach and their expectations from the course. This helps trainers to respond to participants' individual needs and ensure that the most relevant areas are carefully integrated.

EVALUATION:

At the end of the course teachers participate in a detailed evaluation of the course.

FOLLOW UP:

At the end of the course teachers are asked to consider which aspects of the course will be the most relevant to their own teaching situations. On their return they are invited to keep a record of how they have been able to utilise ideas gained on the course in their own classrooms. They are encouraged to share their experiences with their fellow participants by email.
